VISION

To preserve the universal value of the arts for all people.

MISSION

To engage, educate and inspire the public through interpretation of Frank Lloyd Wright's design legacy and preservation of his original sites for future generations.

CORE VALUES

Engagement

Engaging a broad and diverse local, regional, national, and international audience through a dynamic cultural tourism program, a comprehensive and interactive website, and consistent marketing and communications initiatives.

Education

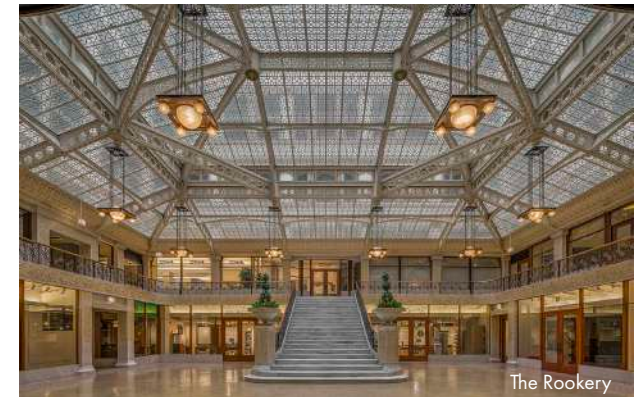

Affirming the contemporary relevance of Wright's design legacy by educating K-12 students through innovative design programs that nurture individual vision; by presenting quality adult enrichment programs, national/international travel programs; and by producing electronic/print publications.

Inspiration

Inspiring our audience through powerful aesthetic experiences of authentic Wright sites, preserved to Wright's original design vision.

For Future Generations

Developing the Trust's resources and maintaining the Trust's financial stability in order to sustain Wright's original sites for future generations and ensure a lasting and secure future for the Trust supported by strong community and business relationships and by dynamic Board engagement.

DEAR MEMBERS AND FRIENDS

During 2025, the Trust continued to expand operations at our four historic sites with 115,000 on-site guests and over 500,000 virtual visitors via our website. The Home and Studio won national attention when featured on the popular television series *The Bear*, and a community open house welcomed the Trust's new Learning Resource Center to our Oak Park campus. This year we raised over \$1 million in sponsorships, donations, and grants, and concluded full repayment of our COVID-era loans. The Trust begins 2026 debt-free.

I am pleased to recognize and thank my fellow Board members for their shared wisdom and loyal support of the Trust and its mission. To our dedicated staff and talented volunteers, my highest esteem and sincere appreciation.

This year, Celeste Adams, our President & CEO for fifteen years, announced her plan to retire in 2026. Her innumerable contributions to the Trust have steadily advanced our mission and steered the institution to a strong and bright future. We all join in congratulations and lasting good wishes.

During 2025, the Trust completed the first phase of our Learning Center expansion with the July 19 opening of a Learning Resource Center. Don Harmon, President of the Illinois State Senate, spoke about the importance of the Trust to the community and encouraged everyone to become involved. Vicki Scaman, Village of Oak Park President, spoke about the ways in which the Trust has contributed to the quality of life in the village. Patricia Hunt, Board Vice-Chairman, spoke of the Trust’s achievements and future vision, and Development Director Tom Pierce provided an update on the \$12.5 million Learning Center campaign, which has raised \$7.5 million to date.

Celeste Adams described the second and final phase of the project – a one-story building that will be quietly integrated into the existing site. It will include a reception space, multi-use hall, and studio providing for a wide range of programs and serving as an information hub. 3rd and 4th grade summer campers shared their projects on the resource center patio, and guests toured the reading room and archive.

Operations commenced at the resource center with new staff members Andria Castillo, Cathi Ward, and Alice Boone. Andria Castillo, archivist and collections manager, formerly worked for the archive of Dominican University where she received her master's in library sciences. Cathi Ward AIA, preservation architect, works on preservation projects at Trust sites, preparing drawings, reviewing budgets, and working with Trust facilities director and contractors. Cathi oversees Trust archive collections and architectural archives. Alice Boone, director of public programs and audience engagement works on all aspects of Trust education, adult and student programs, volunteer enrichment, and membership programs. Alice oversees the resource center reading room.

As the public gained awareness of the resource center, new gifts to the archive were offered.

New books on Trust sites included *The Prairie Years: Frank Lloyd Wright in Oak Park and River Forest* and *Robie House: a Frank Lloyd Wright Masterpiece* by Pat Cannon and James Caulfield.

The Trust enjoyed the attention of new audiences when the popular television series *The Bear* toured the Home and Studio during one episode, and Theo Benedet, Chicago Bears offensive lineman, selected the Trust as his charity for *My Cause My Cleats*.

This year's total in-person visitation was 115,000. Guests from 47 countries and all 50 states visited in 2025.

The top ten non-U.S. countries of visitors were the United Kingdom, Canada, France, Mexico, Italy, Japan, Australia, Spain, Germany, and Belgium (below left). 20% of Trust visitors are international. The top ten states of visitors were Illinois, California, New York, Texas, Massachusetts, Michigan, Ohio, Pennsylvania, Indiana, and Virginia (below right). In 2025, flwright.org was visited by 525,000 individuals. The top ten non-U.S. countries of people visiting the Trust website were Canada, United Kingdom, China, Brazil, Italy, Germany, Australia, France, Mexico, and Indonesia.

Trust members at the enhanced Prairie level and above continued strong with \$245,000 in 2025 membership revenue. Special member benefits included free tours, open house events, and education program discounts. Annual Appeal and Annual Giving totaled \$183,000 with Wright Night, the Trust's annual benefit event, bringing in net proceeds of \$76,300.

Wright Plus, Ultimate Plus, and event sponsorships provided event net revenue of \$173,600 and grant revenue totaled \$260,200. In-kind giving of \$81,600 provided additional support to Trust operations. Capital campaign gifts and pledge fulfillments this year totaled \$175,000. The campaign has raised \$7.5 million toward a \$12.5 million goal.

Director of Development Tom Pierce speaks at Wright Night 2025

Over 1,000 guests toured eight private homes in Oak Park, hosted by over 300 volunteers.

In 2025 the Trust welcomed new Board member Anne Petty and honored Board member Graham J. Rarity for 30 years of service.

Anne Petty co-founded Doyenne Wealth Advisors in 2022. Anne has had an interest in investing since elementary school, when she and her grandfather would attend shareholder meetings together. After receiving a BA from the University of Michigan and working for a short-time in non-profit development, Anne became a CFP. Her decades-long experience as an advisor has piqued her interest in behavioral finance and multigenerational planning.

Before launching Doyenne, Anne was a Lead Advisor at another Chicago-based IRA. Anne's father, Cal Roesner, was formerly a member of the Trust Board.

Lifelong Oak Park resident Graham Rarity played a key role when the Trust successfully purchased the Home and Studio from the National Trust in 2012.

Rarity currently serves as secretary of the Board, and previously served as Board chairman and vice-chairman. His interest in Frank Lloyd Wright's Oak Park legacy was influenced early in life by his parents. His father, George, was a preservation plasterer who worked in historic buildings in Chicago, as well as many of Wright's Oak Park homes. His mother, Grace, occasionally saw Frank Lloyd Wright when she was growing up in Mineral Point, Wisconsin.

Held at The Rookery in Wright's magnificent light court

In October this year, I shared my plan to retire in the summer of 2026. It seems a short time since I arrived at the Trust in August of 2010, and I depart with gratitude to Board leaders upon whose prudent advice I have relied and to everyone who makes this the great organization it is and has made possible the many accomplishments of the past fifteen years. Together we met the challenges of opening a downtown site with new central offices, completing the restoration of Robie House, purchasing Wright's Home and Studio, launching a Learning Center expansion of our Oak Park site, and surviving the COVID crisis.

With our sites well-maintained and free of debt, this is the right moment for me to leave the Trust in the capable hands of our Board, staff, and volunteers and welcome a new generation in the coming years who will continue to embrace and enliven the mission of the Trust.

CEO
