

# WRIGHT AT HOME

Create an art glass window design that represents your favorite holiday!

One of Frank Lloyd Wright's most recognizable art glass designs comes from the Avery Coonley Playhouse in Riverside, IL near Wright's Oak Park Home & Studio.

The colorful circles and squares in the design represent balloons and confetti from a Fourth of July parade.

**Get inspired and create an art glass window design that represents your favorite holiday!**

Use tissue paper and black construction paper or electrical tape to form your design.

Can you represent the holiday with only geometric shapes?

Show us your design with #WrightatHome or tag **@flwtrust!**
